Founder

## Felipe Soares

---

Felipe Soares is the founder of RAW Capital Raise. He is a real estate operator, fund manager and speaker based in the Dallas-Fort Worth area of Texas, with roughly eighteen years of professional experience across real estate investment, acquisitions and private capital.

Born in Brazil, he built his career in Texas from the ground up, working through distressed and cash-flowing residential and commercial assets before moving into fund management. He founded RAW REI Network, a Texas real estate operating company, and serves as fund manager of RAW Capital Fund, a Texas-focused hybrid fund for accredited investors.

His work at RAW Capital Raise focuses on the operating side of private capital: underwriting discipline, acquisition mandates, investor relations process, fund readiness and the systems that carry a raise through to execution.

Topics: private capital raising, real estate investing, acquisitions and underwriting, fund management, investor relations.
